# 2019 Legislative Breakfast!

Co-hosted by: New York County Medical Society,  
New York County Psychiatric Society  
and the New York Council on Child and Adolescent Psychiatry

**Sunday, January 27, 2019, 9:30 a.m. to 12:00 noon**

Location: New York Academy of Medicine, 1216 Fifth Avenue, NYC

**At this enjoyable breakfast**, we'll be joined by a number of key New York legislators including NYS Senator Gustavo Rivera; NYS Assemblymembers Richard Gottfried, Linda Rosenthal, Daniel O'Donnell and Carmen de la Rosa; New York City Council Member Mathieu Eugene; and more.

**It's a lively occasion with plenty of time for our audience to take part.** Our format: Brief presentations by each of our legislative guests, followed by questions and answers with everyone.

**Among the topics we may discuss:**

- "Single Payer" is much talked about now that the legislature will be under Democratic control - or maybe the idea will morph into some sort of voluntary, multi-layer but government-run system?
- Marijuana - medical, recreational;
- The opioid crisis (now complicated by hyper-powerful drugs such as fentanyl);
- The effects of big hospital mergers on the public's access to care;
- The ongoing fight for mental health/substance abuse reimbursement parity;
- And many other issues. Your suggestions welcome!

**Admission is \$35 for members of any of the three hosting Societies, and \$50 for nonmembers.** Medical students and residents are free of charge. (Members of MSSNY, APA and AACAP attend at member rates.) Several parking garages are nearby.
